## Basin Lucy 1037 Progeny

### Donor Basin Lucy 1037

If you asked Virgil Lovell and Lee Leachman independently, “Which is your favorite donor cow?” Both would say Basin Lucy 1037. The key to raising great females is the combination of the “right kind” with the “right numbers.” Lucy 1037 and her daughter Lucy 7003 are the right kind. They also both rank over +1 for marbling and ribeye area. The three daughters by Connealy Confidence Plus out of 1037 and 7003 are three of the best daughters of their sire that we have ever encountered. This is a SPECIAL offering!
