

SALE TERMS

The cattle will sell under the standard terms and conditions as recommended by the American Hereford Association and become the property of the buyer as soon as it is sold. All persons attending the events do so at their own risk. Pérez Cattle Company, sale manager or staff assumes no liability legal or otherwise for accidents or injuries that may occur.

PAYMENT

Terms are cash. Payment must be made prior to pickup or delivery, unless prior arrangements have been made. Registration papers will be transferred once payment is received.

DELIVERY

Delivery will be at buyer's expense. We will make every effort to help with the delivery process.

BREEDING GUARANTEE

We guarantee all livestock sold as sound breeders. However, if we feel that the females have been fed to an extreme level of obesity for the show ring, we will hold the feeder responsible for any reproductive problems and no longer guarantee that individual animal. In the rare case that this should occur, we will still try and help get the heifer bred for six months.

EMBRYOS

Trans Ova was used for 100% of the embryo work. All embryos are grade 1 IVF eggs. We guarantee one confirmed pregnancy per package sold. All ET work must be completed by a certified embryologist. We have a 90-Day pregnant Recip Program. Give us a call if we can assist you and put your embryos in for you.

HERD HEALTH

Females are current on all vaccinations. All cattle will be accompanied with proper health certificates for immediate shipment to most locations in the United States. All females are IE, HY and diluter-free by pedigree. Any additional tests required for entry into certain states will be performed after the sale at the seller's expense and prior to delivery.

GE-EPDs & SUPPLEMENT SHEET

Every lot selling will be parent verified and will have genomic enhanced EPDs.
